

CALL FOR ART!

"Visual Voices"

An Articulate Collection of Art by the Artist Guild of Shrewsbury

Artist's choice! What to display for this show is completely up to you. Anything goes as long as your work is nicely finished and wired if it is to be hung. You may want to stick to one subject or one medium to give your work a cohesive look, but that is by no means a requirement. If you have business cards, be sure to bring those, too!
