March 2014

AN ARTIST IS ALWAYS ON THE GO

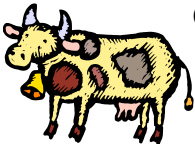

Come on out to our March meeting, **March 3rd**, at **Southgate** for tips from a master! Mike Graves of Millbury will be the featured speaker. Mike is a nationally recognized plein air artist who has painted all over the United States as well as Thailand and Ireland. He will discuss the correct gear for surviving the frigid temperature of Vermont as well as the summer heat of Key West. He will bring his easel and many of the gadgets he has developed over his forty year painting career. He has many tips for packing wet canvases for both cars and planes.

UPDATES

- Please note that our April meeting has been pushed forward to the *second* Monday, **April 14th**.
- We are delighted to be invited to Shrewsbury Crossing for two additional movie nights. Stay tuned for details.
- While we have nothing formal planned for this Saturday at the Worcester Art Museum, remember that first Saturdays are FREE! A nice way to ease into your weekend with your sketchbook and pencils.

SHOWING OUR WORK

Our *Animals and Pets Show* at the Shrewsbury Credit Union is a great hit! Pick up for these works has been changed to **March 6th from 4 to 5 pm**. We hope this will accommodate both our members and the workers at the bank more efficiently. As always, anyone who cannot attend during that time should e-mail Nancy (see below) to make alternate arrangements.

Drop off for the NEW SHOW, *Landscapes and Seascapes* will also be held at this time. Please note the slight changes to our exhibiting procedures. We are limiting two works per artist for this show and you must preregister, by March 1st, with an email or call in to Nancy (nancyandjoe54@gmail.com or 508-887-6891) so that we may better assess our space. Then it is the usual fill out and print the registration form from our website, attach to and properly wire your painting, and drop it off on March 6th. Thank you for your co-operation.

ART AT THE MOVIES

Come on back to Southgate at **6:30 on March 24th** to view *The Maiden Heist*, a comedy about three museum security guards who devise a plan to steal back the artworks to which they have become attached after they are transferred to another museum. You may recognize some of the settings as it was partially filmed right here at our own Worcester Art Museum! It stars Christopher Walken, Morgan Freeman and Marcia Gay Harden.
