Many thanks, to the exhibit committee for their dedication and hard work in coordinating all these displays. They will be hanging the Shrewsbury Library display on September 1.

Joseph will do everything he can to help by taking pictures ahead of time if possible, during the installation if not done ahead. He would also encourage members to photograph their own work, particularly if it will go under glass. Taking it before framing will avoid the reflection problems. If your photos don't look good, he will edit them in Photoshop.
