

Newsletter: January, 2016

Art exchange: The finished picture from Japan is due by the February meeting. Also, if you haven't paid your \$5 for the mailing costs, please bring that to the next meeting as well.

January Presentation: At our next meeting Carolann Tebbetts will present *the Art of Felt Sculpture*. She will demonstrate her recent accomplishment of creating beautiful felted sculpture elements from three installations that were part of her MFA show.

Greeting Cards with your artwork: If anyone has extra art blank art cards to donate to the guild, that would be great. As you know, our secretary, Sue Fleishman sends out cards to guild members that need to know we are thinking of them. Lately there have been one or two cards a month mailed out. Thanks in advance.

Joseph will do everything he can to help by taking pictures ahead of time if possible, during the installation if not done ahead. He would also encourage members to photograph their own work, particularly if it will go under glass. Taking it before framing will avoid the reflection problems. If your photos don't look good, he will edit them in Photoshop. To submit or for questions, email him at: forthill35@verizon.net.
