

## Next Meeting: Monday, March 7, 6:45

This month we will be having a workshop you can participate in. Try your hand or just watch. We'll be covering the basics of pop-up paper engineering. If you've tried this before, there are some more challenging techniques you can try as well. If you have scissors or double stick tape, bring them in, but we will have some to share as well.

**June Meeting:** We will be having an extra meeting on June 6<sup>th</sup> to include Sid Solomon's presentation.

**Please Note** Because of the snow day cancellation, all art exchange pictures are due in March. The snow day gave us an extra month to finish. It would be good to send our finished artwork to Japan as soon as possible.

### AGS Nuts and Bolts:

**By-laws:** Our By-laws are being examined in an attempt to bring them up to date. Current By-Laws are on the website. Please take a look at them when you have a chance. Next meeting will have more updates on chairman transition. In April the slate of new committee chairs will be presented and voted on in May.

**Salon Night:** We are still looking for someone to host Salon Night for March. The date, and location, are flexible according to the host.

**Future Trips:** Ideas for where we could go for a guild visit will be read at the meeting. Come to the March meeting to make plans.

Steering Committee:  
Chairman: Bob Wilson  
Membership & Treasury: Chris Anderson  
Programs Chair: Fern Nissim  
Website & Publicity: Joseph Rice  
Secretary: Sue Fleishman  
Newsletter: Jenn Falcon  
Member at Large: Lee Smith  
Exhibits Chair: Cindy Staub  
Exhibit Co-chair: Melissa Maglio,

### Now showing:

**At the Credit Union:** "Tropical Escapes"

**At Saint Vincent Medical Group:** Second Show.

### Upcoming:

**At the Credit Union:** March 22: "Dynamic Earth"

Landforms at their very best: mountains, valleys, chasms, rivers, shorelines, marshes and swamps.

**Sprinkler Factory:** "Visual Voices", our exhibit at Sprinkler Factory in June, will be discussed as we start planning for that. Sign up slots to help out will be available.

Joseph will do everything he can to help by taking pictures ahead of time if possible, during the installation if not done ahead. He would also encourage members to photograph their own work, particularly if it will go under glass. Taking it before framing will avoid the reflection problems. If your photos don't look good, he will edit them in Photoshop. To submit or for questions, email him at: [forthill35@verizon.net](mailto:forthill35@verizon.net).

We know that many people have their own art cards. If you would be interested in donating a few to the guild for various occasions, please let us know.
