

Welcome back! First meeting:

The first meeting will be on Monday, Sept. 14 at 6:45 pm. Join us for Pam Haynes' presentation. See how her unique Rock Art became a specialty. "Pam's Art Journey-Rocks". We're also going to try a 'Get to know you' ten minute intro at the beginning of each meeting by a member who will tell a little about their art, themselves, or things that just make them smile. This is so we all put a face to a name and get to know you. Sue Fleishman will be first.

Member News:

Sue Fleishman is showing at the 529 Gallery in Littleton. She's also participating in a juried show at Amazing Things Art Center in Framingham through Sept. 19.

Note: Starting in Sept we'd like to begin a 'car pool' to assist members by driving them to the meetings. We wouldn't want anyone not to renew their membership because of driving conditions. If you would like to help drive members to meetings please contact Bob Wilson and we can see who would like a ride. Thanks in advance for volunteering.

Joseph will do everything he can to help by taking pictures ahead of time if possible, during the installation if not done ahead. He would also encourage members to photograph their own work, particularly if it will go under glass. Taking it before framing will avoid the reflection problems. If your photos don't look good, he will edit them in Photoshop. To submit or for questions, email him at: forthill35@verizon.net.
